

# Clover Go. Because Your Business Never Stops.

## Clover Go

Accept payments on the go, wherever you go.

### Growing a business takes constant momentum. Get the POS that keeps up with how you work.

Whether you're running around your store or tend to take matters into the field, Clover Go is your go-to POS for secure credit card swipes, dips and taps. By making it easy to take your business to your customers, Clover Go helps you get more done.

### Manage your business, your way.

The Clover Go solution is fast, reliable and customizable. You can set custom tip and tax rates, add and manage Clover Go permissions for employees, see your transactions on the Clover dashboard and email or text receipts to your customers.

### Get Clover Go and help take your business to new heights.
